Mr. Andrew A. Stern
Radio Station WDBS
49 Robinson Hall
Hanover, New Hampshire

Dear Andy:

As another February rolls around, a new group takes over the reins down here. Karl Honeystein is taking my place, and I will refer your letter to him for action.

We have sent a couple of sports broadcasts to the other stations in the network during this fall, and it seems to work out very well, saving the travel and local telephone loop expense.

Good luck to all at DBS, and I may be seeing you later this spring, as I might be doing some work for the network.

Sincerely,

David S. Robinson
